Pantry Reset Checklist

Reset your pantry in an afternoon, and buy only the bins you need.

The reset

- ☐ Took everything out and wiped the shelves
- ☐ Checked dates and tossed expired food
- ☐ Set aside unopened food to donate
- ☐ Grouped like with like on the counter

Shelf measurements (inches)

Shelf 1: width x depth x clear height	
Shelf 2: width x depth x clear height	
Shelf 3: width x depth x clear height	
Floor / door space	

Put it back

- ☐ Everyday items at eye level
- ☐ Heavy items low, backstock high
- ☐ Bins bought to fit the measurements
- ☐ Everything labeled
- ☐ Set a monthly 10-minute tidy

Tip: Measure before you buy containers. It's the most common pantry mistake.
